3.12.76 Telex 031234 GOWN I want Lynn DGUS
overts pulled & a sec check done. This is
to be done fast. He is then to find out
her command lines & be checked out on
them, on rept & CSW etc. If she has ARCX's
they stem from M/W/Hs & Duke had better
check out on that as well as Lee
indicators of overts.
